

Undated "Credo" quoted from unknown source, original in own hand

Credo

We believe that Art  
serves to make  
individuals aware  
of those factors in  
life that lend stimulation  
enrichment & beauty  
to living - That Art  
integrates thinking  
acting, feeling - That  
Art developes an  
ability to be selective  
analytic inventive  
That Art lends  
substance, reality  
direction to the daily  
business of living

The principles of  
Design are  
Proportion - balance  
simplicity -

2.5  
Design is present in

all things produced

by man out of

colour shape: form

- including pictures

sculpture

Architecture

crafts, merchandise etc.
